Church-wardens' Report

Easter, 1910

The Church-wardens in presenting to the Vestry the sixty-second annual report of the Church of the Holy Trinity are pleased to show a balance at credit of General Purposes Account, small as it is, of $74.20 and of $118.21 at the credit of Special Repair Account. The Synod having granted to Church-wardens permission to close the financial year of a Parish on the fifteenth of March instead of Easter as formerly, we have availed ourselves of this opportunity to close the year's accounts of the Church as of this date so that the Church's annual year will end on the fifteenth day of March in each year hereafter. As a result of this change forty eight Sundays only are included in the year's statement which accounts largely for the year's receipts amounting only to the sum of $3,884.53 as compared with the receipts of last year, $4,754.05. The total receipts for the year including a balance of $479.59 on hand at the commencement of the year amount to the sum of $4,364.12. There has been contributed through the Offertory for General Expenses of the Church the sum of $2,554.31. The net rents received from the Cottage and Scadding House amount to the sum of $537.00. The contributions for Special Purposes amounted to the sum of $774 92, full particulars of which are set out in the statement furnished herewith. Included in this year's receipts is the sum of $200 bequeathed to the Church by the late Mrs. Elizabeth Rowsell, whose generosity has assisted the Church-wardens in meeting the expenses of the Church.

The average weekly offertory for the past year for general purposes of the Church has amounted to the sum of $47.61 as compared with $57 35 in the previous year. This is certainly a most serious falling off and most active steps should be taken immediately to bring about an improvement —to meet the annual expenses of the Church our weekly offerings should amount to not less than about $70.00.

Referring to what has been done since last Easter, many matters have been considered and attended to which cannot be spoken of in detail without making this report too lengthy, but in regard to which the financial statement has to be relied upon as sufficient reference. Some special matters, however, call for more than a passing notice. Very soon after last Easter notice was received from the Assessment Commissioner, to the effect that the City Engineer had recommended an asphalt pavement on the roadway surrounding the Church, as also on the street leading to Yonge Street, and a brick pavement on the lane extending from Trinity Square to Alice Street, and that the work in connection therewith would be carried out unless the usual and necessary petition against the same was presented. A meeting of the Advisory Committee was held and the matter considered, as a result of which the laying of the pavement on Trinity Square leading from Yonge Street to the Church was approved of, and also on the lane above referred to, while as to the roadway around the Church it was decided to petition against it—this was done and the recommendation was accordingly not granted. The principal reason the Committee had for objecting to such a pavement on the roadway around the Church was on account of the expense it would entail, as it is, the cost of that already laid will call for a yearly outlay of about $65.50 for the next ten years.

Your Advisory Committee have also considered the question as to the amount of fire insurance that should be carried on the Church property and thought it advisable to increase same to the extent of $5,000. The insurance now carried on the Church and other buildings being as follows :—

On Church	$21,500 00
" Contents of Church	3,500 00
" Organ in Church	3,500 00
" Sunday School	12,000 00
" Contents of School	1,000 00
" Organ in School	150 00
" East window of Church	1,000 00
" Rectory	2,800 00
" Scadding House, No. 6 Trinity Square	2,000 00
" Cottage	400 00
" Library	350 00
Total insurance	$48,200 00

In September last we received an intimation from His Lordship the Bishop that the lessee of the property on Yonge Street, forming part of the endowment in connection with this Church, had applied for a renewal of his lease for a further term of twenty-one years, and that he would be pleased to have our views in the matter and as to the rental to be asked therefor. We again called the Advisory Committee together when it was decided to recommend to His Lordship that he ask an annual rental of $200 per foot frontage for the next term of twenty-one years or a total of $10,200 per annum. This was afterwards accepted by the present lessee, and a lease has been given carrying it into effect—the increased rental commencing in April, 1911.

The Scadding House property will become vacant on the 5th of April next ; part of the building is in a dilapidated condition, and what policy to pursue in connection with it has given us considerable thought. At a meeting of the Advisory Committee, which we called to deal with it, the matter was referred to a special committee which we hope will be able to report at this meeting when it can be considered. Considerable outlay will likely have to be made on the property before a new tenant can be secured, and consequently little or no revenue may be expected from this source during the coming year.

Your Wardens deemed it advisable this past year to incur an expenditure, rather more than ordinary, to assist in making the location of the Church known, and in bringing it more prominently before the large number of people passing up and down Yonge Street—numbers of whom, no doubt, are new-comers to this City and especially to this locality. It was found by the Clergy and other workers in their house to house visiting that the locality of this Church was unknown, to a much greater extent than many were aware of, by people within its limits. The best method of bringing its existence and work to the knowledge of the public generally, and at the same time not erect anything that would be offensive or unattractive, was thoroughly considered. We hope that the electric sign and the sign boards erected on the corner of Trinity Square meet with your approval. In addition to this, we may say that we communicated with the large hotels in the business section of the City, and with the principal apartment houses within the limits of the Parish, as to their willingness to allow a display card to be placed in a prominent place or places in their several buildings. Favorable replies were received from almost everyone, and now a reasonably large and attractive card showing the

location of the Church, and extending a cordial invitation to be present at its services, which are also set forth on it, is to be seen in ten of the leading down town hotels and many apartment houses within the limits of the Parish. The task of seeing that this card is prominently displayed every Sunday is carried out by a band of young men enthusiastic and devoted to their work.

During last autumn the Rev. Mr. Morgan received a call to work in another part of this City and the Church lost the benefit of his services as Curate. We sincerely hope that our loss will be his gain, and that his energy and faithful work will be productive of good results in his new field of labor. This has caused extra work for the Rev. Mr. Owen, but steps are being taken to secure the necessary assistance.

We are pleased to report that the different societies and organizations engaged in Church work during week-days are most zealous, healthy and progressive. We feel quite sure, however, that more personal encouragement and active help from the older members of the congregation would be appreciated, and be productive of most beneficial results. Extended reports will, no doubt, be received from each and will appear in the Church's year book.

The Committee appointed last year to further the interest in the Layman's Missionary Movement is meeting with satisfactory success. The receipts, which are shown in the financial statement, are encouraging. We recommend the continuance of this committee and bespeak still better results at this time next year.

It is with deep sympathy to the Rector and his family that we record the decease of Mrs. Pearson. Ever ready in relieving the wants and necessities of the needy, there are many in this Parish who will long remember her many

kindly deeds and influence during thirty years or more of loving labor.

Before closing their report the Church-wardens desire to state, that, in their opinion, owing to the great changes that have taken place during the last few years within the limits of this Parish and in this part of the City—every year becoming more commercialized—the population becoming more congested and ever-changing, with consequent lessening of home influence, the time has arrived in the history of the Church of the Holy Trinity when it behooves those who are interested in its future and are responsible for the management of its affairs, to devise methods which will increase its usefulness, and by which the extension and directing of the Church's work will be in keeping with the needs and requirements of the Parish under these changed conditions. In order that this may be brought about, it is desirable that the older members of the congregation should interest themselves and volunteer to work, and take a part in assisting the Clergy and Wardens in the promulgating and carrying out of different enterprises for the increase of Church influence in our City life in this particular locality.

In the judgment of the Wardens, the success and future usefulness of this Church will largely depend on work done of an institutional character, and we should begin at once to lay the foundation for taking up this particular class of work. We venture to suggest, having regard to the great number of people now finding their daily occupation in this Parish, and those living in boarding houses without the influence of home and family, that if we establish organizations connected with the Church, and arrange for suitable accommodation, we will be able to gain many adherents and members who, in themselves, will ultimately build up a living, active,

Church of the Holy Trinity.

We would recommend, if the Vestry approves of the suggestion, and in order that a practical turn should be given to the idea, that a committee be appointed which will consider and further such plans and proposals as may be thought proper and the ways and means of carrying them into effect.

In conclusion we desire to bear testimony to the faithful services rendered by the Organist and the Choir, to thank the ladies of the congregation for their assistance in various matters and also the auditors for their efficient and careful work.

Assistant Rector's Letter.

To the Parishioners of the Church of the Holy Trinity.

Once more I have been asked by the Church-wardens to write a short letter for the year book.

The first subject to which I must refer is one that has been uppermost in our minds for the past three weeks, namely the illness of the Rector. We are so glad to hear that during the last few days he has been gradually regaining a measure of strength, and that hopes are entertained that he may soon be about again.

During the past year we have lost Mr. Morgan. This has been a great loss to me personally, and I believe to the whole parish. In the eighteen months he was with us he endeared himself to many, and his quiet, genuine work is bearing fruit.. I am glad to be able to say that we have been fortunate enough to secure the services of Mr. J. F. Wiseman of Trinity College. Mr. Wiseman hopes to be ordained on Trinity Sunday, and will come to us as Curate on October 1st. I need hardly ask for him a hearty welcome.

The following figures give some indication of the work carried on by the Clergy during the past year.

Baptisms	116
Marriages	170
Funerals	43
Sick Visits, Parochial	629
Sick Visits, St. Michael's	1120
Communicants during the year	2229
Private administrations of the Holy Communion, about	24

Short mid-day services were held daily throughout the

season of Lent. A course of addresses was given on the Parables. This attempt on the part of our Church to minister to the large working population by which it is surrounded on week days has had most satisfactory results.

The average daily attendance during the six weeks, being 60.

Excellent work in the way of making our Church known among the hotels and boarding houses of this district, has been carried on by a small committee of young men, assisted by Mr. Cavell. They have distributed attractive cards, calling attention to the location of the Church, the time of its services etc., and have done all in their power to make the Church known in the neighborhood.

I cannot close this letter without an expression of gratitude to all the Officers and Workers in the Parish, who by their enthusiasm, optimism, and energy have helped me at every turn. No Clergyman could be more blessed in his co-workers. They have always been found ready to do everything in their power to strengthen and build up the Work of God in this Parish.

Yours faithfully,

DERWYN T. OWEN,

Assistant Rector.

The Choir

The work of the choir has again been most satisfactory, the faithful attendance of the men and boys who volunteer their services is greatly appreciated by the church officials and other members of the congregation. Congregational singing has always been encouraged in our services, and the choir has very materially aided in this direction.

New hymn books with music have been supplied. Nearly all the tunes in the new book are melodious and singable. It is hoped that the people will join even more heartily in the singing as these tunes become familiar.

During the winter the Choir Guild made a complete set of new surplices which were worn for the first time on Easter Sunday, presenting a very neat and uniform appearance.

The personnel of the choir is as follows :

Envelope Report.

The receipts from the envelope system during the past year have materially decreased as compared with the former one, as has also the number of contributors. The total amount received for the 48 Sundays, from Easter, 1909, to the 15th of March, 1910, was $899 36, and the number of contributors are now only 67, a falling off of seven subscribers since the last report.

The committee would strongly urge on the congregation the great necessity of this system in a church where no income is derived from pew rents, to enable the Churchwardens to have some assured revenue towards meeting the uncontrollable expenses. The weekly outlay next year will amount to fully $70.00. The only guarantee the Wardens have is the amount received from this source.

It is to be hoped that every member who is interested in the welfare of the Church of the Holy Trinity and in extending its usefulness, and every one who enjoys the privilege of worshipping within its walls, will contribute, if not all, at least a portion of their weekly contributions in this way. If not already a subscriber will you not fill in the attached slip and place it in the offertory plate, and envelopes will be sent you forthwith ?

The following are other reasons for contributing through this system :

1. Because it is my duty as a member of this congregation to give as God hath prospered me, towards the maintenance of His worship in the Church.

2. Because I want to give systematically.

3. Because I am unwilling, by neglecting my duty in this respect, to cast upon others the burden of providing me with the ministrations, when God has enabled me to assist in providing them for myself, and possibly for others who are not as well off as I am.

4. Because I know that whether I am present or absent from Church the expenses of carrying on the services are the same, and if I do not contribute through the envelopes I might forget to make up for those occasions when I have given nothing, or less than I ought, or omitted to send my offering.

5. Because I want to give more rather than less than the sum which, being my own judge, I think I ought to give.

Easter, 1910.

NOTE.—The Church-wardens hope that the efforts of the Envelope Committee for this coming year will be responded to generously by the congregation, that the necessary expenses of the Church may be liquidated as they mature.

Men's Bible Class.

The Men's Bible Class have had a very successful and satisfactory year. The number of names on the roll has more than doubled, and the attendance, while not as large as might be desired, has been very steady.

Our social programme consisted of several picnics, socials, debates and a moonlight excursion.

Efforts are being made by the members of the class to form a men's club. The greatest difficulty to deal with is lack of accomodation in the present building. We expect this will be solved in the near future and then the club will be as great a success as enthusiasm can make it. We also feel that with the interest of other young men in the congregation we could speedily make the club one of the "alive" organizations of the Church.

Another year has gone, another mile-stone passed in the History of our Sunday School, and with it have gone from our midst several of our earnest workers.

First, let me mention the Rev. V. E. F. Morgan, our Superintendent, who resigned the Curacy of the Parish last November in order to take charge of the Parish of St. Saviour, East Toronto, which was a deep loss to us.

Then we have lost Mr. Harris, our Librarian, and several teachers. Miss Blackstone, who has been so faithful

with the little ones for a number of years will be greatly missed, Mrs. Owen, Miss Dean, Miss Morgan and Miss Turner.

We have the pleasure of welcoming as new teachers, Miss Goedon, Miss Zurhorst, two young ladies who have grown up in the school, also Mr Garner and Mr Langmuir.

We are very grateful to the Misses Lowry, Harford and Turvey, three of our senior scholars who acted as occasional teachers.

The regular attendance of our teachers this year has had a marked effect on the attendance of the scholars.

School Roll: Main school-teachers 13, scholars 100, average attendance about 75. Infant department—teachers 6, scholars 42, average attendance 28. Totals, teachers 19, scholars 142, average attendance 103.

I am glad to announce that the Library, which is a good one containing about 900 volumes, is again in constant use and hope that the scholars and parents will continue to use it to advantage.

The Annual Picnic was held at Lambton Park. This summer we intend taking the school to Queen Victoria Park, Niagara Falls, and sincerely hope that the parents and congregation will come along and take advantage of this beautiful outing, and assist the school in this venture for the benefit of the children and themselves also.

The Annual Christmas treat and prize giving was a marked success, ample programme and refreshments were in order and many friends were present, and all were pleased with the handsome prizes.

As usual the school has continued to do well for the Mission cause, as will be seen by the Treasurer's report.

The death of Mrs. Pearson, the wife of our venerable Rector, breaks another link in the chain binding the present

of the school to the past, when as Superintendent of the infant department she did such faithful and loving work with, and for the younger lambs of the flock.

During the past year we have had a monthly meeting for the teachers on the first Saturday of each month, which has been well attended, and we hope will be continued during this next year.

The Holy Trinity Branch of the W. A. has held 20 meetings during the past year, including six business meetings, at which addresses were very kindly given by the Rector, Mrs. Reeve, Miss Halson, Mrs. McAll and Mrs. Wood.

There has been a large increase in the membership this year, as the result of the "Crusade" work, the Branch now having 87 members on the roll, 84 of whom are subscribers to the Leaflet.

All the pledges for the year have been paid, and at the annual meeting a new pledge was taken up for "Our Own Missionary" in China, Miss Sedgwick.

In January the beloved Honorary President of the Branch,

Mrs. Pearson, was called to rest. Her loss is most truly mourned by all those who have known and loved her during her long life of loving service in the Parish.

The bale this year is to be sent to Gordon's School, and is a general one containing all kinds of clothing for boys and girls, and four large quilts, one contributed from the "Mothers' Meetings."

The generous gift of a sewing machine to the Branch from Mr. and Mrs. Thrush has been much appreciated and found most useful.

Much regret has been felt at the withdrawal from the Parish of the Rev. Mr. and Mrs. Morgan, and at one of the meetings the President presented Mrs. Morgan with a case containing prayer and hymn book as a remembrance of Holy Trinity Auxiliary.

The sewing meetings are held every Tuesday afternoon at two o'clock, from October to April, with the Business Meeting on the second Tuesday of each month, when most interesting reports of the Diocesan Board Meetings are given by the Diocesan Representative, as well as addresses on various missionary topics.

New members will be most cordially welcomed at any of the meetings, and interested visitors are also very welcome.

The season just closed has been one of most gratifying results. While, perhaps, the total membership has not been greatly augmented, nevertheless the average attendance at each meeting has been much in advance of the preceding year. The interest and enthusiasm shown by the Society's members has reflected great credit on them, and the social committees have always felt that they had behind them the interest of the members. The Society has achieved, we believe, a great thing in that they did not so much depend on the help of the Clergy, although Mr. Owen has always shown himself willing and ready to help with his enthusiasm and advice, to say nothing of more practical aid.

We owe our greatest thanks to those who have so kindly addressed us throughout the year. Early in the season Mr. Rose, of Trinity College, told us what the "Student's Volunteer Union was doing." Again during Lent we were fortunate enough to have addresses from the Rev. Mr. Barrow, Rev. Mr. Warren, Rev. Mr. Owen, and also Mr. James on "Mars and its Marvels." Also under the management

of our several committees, we have successfully entertained some ten other branches of the Society. Special attention might be called to that evening on which the ladies of our branch entertained the gentlemen. The gentlemen returned the compliment by a Sleighing Party. Debates also figure in the programme. Our Annual Concert has yet to come off, but present arrangements look to a success.

Next season, if it continues the present progressive policy, ought to be one of the greatest in the history of the Association.

Two members of this guild meet at the church each Saturday, prepare the linen, clean the brasses, and arrange the flowers for Sunday, changing the hangings according to the seasons. The members are most faithful in their work, as is well shown by the appearance of the Chancel. The flowers are provided by a system of envelope subscriptions of from five cents a month up, and the guild is always glad of any new subscribers who may care to help in this way. We are sorry to have lost some of our members who were very regular in their share of the work, but who have had to give up on account of other work. A few extra workers have helped the guild to decorate for the special seasons.

Mothers' Meetings.

The "Mothers' Meetings" of the season of 1909-1910 have been very successful and well attended.

We finished three quilts, one going to the North-West Missions, the others to Dr. Grenfell's Mission on the Labrador coast. If any member of the congregation wishes to come to the meetings we would be glad, as we are always pleased to welcome new members. In the death of Mrs Pearson we havelost a sincere friend and sympathiser. Until the Christmas before her last illness, she took an active interest in the mothers she knew so well, having had charge of the meetings for so many years, and to each one her death was a real and personal loss.

The Choir Guild has met regularly every Thursday afternoon during the winter months. Mrs. W. R. Cavell has presided at these meetings, which have been well attended. It is gratifying to know that the choir vestments are in good order. The new surplices which were commenced last spring have been completed and the clergy and choir appeared in them on Easter Sunday. Funds are required for new cassocks. The Choir Guild feel deeply the loss of Mrs. Pearson who always took a kindly interest in the work.

The Sewing Class.

The Children's Sewing Class re-opened for work again in the Autumn and met every Monday evening during the Winter with an average attendance of thirty. Many aprons, flannel skirts and dish towels were made.

Marks were given for punctuality, good work and clean hands. Miss Leslie took charge of the class, assisted by Miss Gwatkin, Miss Rowley, Miss M. Locke, Miss A. McAuley and Miss Pearson. Prizes were given on the closing Monday in Holy Week, and the children taken to Church for the evening service afterwards.

The Girls' Friendly Society.

Our Branch of this Society reports a pleasant and fairly successful year. The meetings, which have been well attended, began in October, still continue, and will not close until June. The members seem to love their work, which this year is Parochial, and there is no desire to bring the meetings to an early close.

It is with sympathising sorrow we record the loss of the late Mrs. Pearson, who was an Honorary member. There are many of the G. F. S. girls who will always remember her kindly interest and teaching among them.

Three new members have been admitted this year, and very instructive addresses have been given by the Rev. D. T. Owen and also by Mrs. S. G. Wood, these we all enjoyed very much.

We would ask the congregation to help us in this good work, either by becoming Honorary members or giving material for work.

MARY G. CAVELL, *Working Associate.*

Report of Layman's Missionary Committee.

At the Easter Vestry Meeting, 1909, a Missionary Committee was appointed for the purpose of making an effort to increase the subscriptions for mission purposes.

Upon a careful consideration of the whole matter your Committee concluded that for the present it was best not to make any change in the methods employed for so many years, viz., the regular house to house collection for Diocesan

purposes and the regular collections through the offertory ordered by the Synod of Toronto.

It was, however, thought desirable to have these methods supplemented by asking the congregation to subscribe to the envelope plan, agreeing to give regularly a stipulated sum for Missionary Account, hoping in this way to obtain a fixed annual return, as well as an increased amount.

In the circular issued by your Missionary Committee it was explained that the average annual amount subscribed for the last ten (10) years for mission purposes generally was the sum of $555.64. The aim of the Committee was to have this increased to $1000.00. We are pleased to report that members of the congregation have indicated their intention of subscribing to the envelope plan by monthly subscription, namely:—

1	at $	5	$	5
13	"	10		30
3	"	15		45
4	"	20		80
50	"	25	12	50
1	"	30		30
1	"	40		40
12	"	50	6	00
1	"	60		60
14	"	1 00	14	00
1	"	2 00	2	00
1	"	2 50	2	50
4	"	5 00	20	00
			$60	90 per month

The house to house collection this year only brought in $43.45, and there was received through the regular collections in the Church $19.41. This falling off is largely

explained by the fact that people who have hitherto given to collectors, and in the regular Church collections in the past, are now giving through the envelope system, nevertheless it will be evident that considerably increased subscriptions must come in or else we will not be able to realize our object of obtaining the sum of $1000.00 for the coming year.

The Missionary Committee would respectfully urge upon the members of the congregation who have not yet availed themselves of the envelope plan of subscription to do so.

A reference to this year's statement will show the amounts received for Missions.

The Church-wardens and members of the Missionary Committee desire to express their thanks and appreciation to those ladies of the congregation who have given their time to house to house collections.

A. D. LANGMUIR, *Chairman.*

Vestry Resolutions

At the Easter Vestry Meeting resolutions were adopted expressing the regret of the Vestry at the departure of Mr. Morgan from the parish, the loss sustained through the decease of Mrs Pearson, wife of the Rector, and also the decease of the late Mrs. Rowsell, and committees were appointed to prepare and send suitable letters to the proper parties conveying the effect of these resolutions.

Resolutions were also unanimously carried, thanking the Auditors, Church-Wardens, Organist and members of the Choir for their services and Mr. Blackburn especially for extra instrumental music at different times; thanking the ladies of the Congregation for work done in the different parish organizations and also Mr. Simmons for his kindness in loaning plants, etc. on various occasions.

The Athletic Club

During the past year the Holy Trinity Athletic Club was formed, entering teams in all branches of sport. They elected the following officers for the year.

Honorary President.....Rev. J. Pearson
" Vice President....Rev. D. T. Owen
President.....Mr. Percy Millar
Manager of the Junior and Intermediate Basket Ball Teams.....Mr. Burton
Captain of Intermediates.... Mr Ernest White
Captain of Junior.....Mr. George Chubb
Secretary.....Mr. W. McDougall
Treasurer.....Mr. C. D. Potts
Anglican Athletic Representative .....
....Mr. Ernest Manifold
Patrons.....
Mr. Langmuir, Mr. Cavell, Mr. Blachford.
Patronesses.....Mrs. Burton and Mrs. Scott.

Considering this is only the second year of the Club's organization we consider we have done very well. We won the championship of the Anglican Athletic Meet with a total of 61 points out of 75, also getting a very handsome shield, Our two Basket Ball Teams were also successful in their league matches, each team winning out, going through the season without a defeat. Each team is now holding the Basket Ball Shield for one year, as it has to be won three times before becoming the property of any clnb.

The following players composed our championship teams:

Junior	Senior
George Chubb	Will McDougall
Harold Urquhart	Ernest White
Jack Johnston	Ernest Manifold
Stewart Tompkins	Percy Millar
Tom Gray	Tom Armour
Jack Connell	Gordon Simpson
